

FRIENDS OF NCTC EXISTING AND PROPOSED PROGRAMS

CURRENT PROGRAMS:

Land management:

Forest Restoration

Native Plant Landscaping

NCTC Annual Deer Hunt: provide support

Eagle Cam: financial support for maintenance and repair

Conservation Lecture Series: now monthly and virtual, through NCTC's Facebook page

Fallen Comrades Courtyard: Manage donations and orders for bricks

Travel Funds: sponsor travel for FWS and Fisheries volunteers to take NCTC classes, both on and off campus. This includes applying for and administering grants

ACFF: sponsor award and travel for Student Film winner

Kayak trips: sponsor weekly, seasonal kayak trips for NCTC students and Friends members

Summer Internships: support two summer internships for Shepherd University students

NEW INITIATIVES:

Docent Tours: Develop trained volunteers to lead tours of NCTC Archives and Campus

Off-Campus Tours: Arrange and sponsor tours to local historic sites for NCTC students

Online Films: link to conservation films from NCTC to be viewed through our website

Elementary Environmental Education Tours: Friends sponsored and led tours of Campus for elementary school students

Eagle Cam school partnerships: Develop programs to bring the Eagle cam into local elementary schools

Back Pack project: Develop trained volunteers to share archives items with local school children

Children's weekly contests: Online backyard nature program

Shepherd University:

Develop NCTC staff lectures at SU

Career Fair: Have NCTC, FWS or DOI represented at SU career fair

Special Event: Host SU students, staff and employees at a special event on campus
